## News of South Richmond

South Richmond Bureau, The Times-Dispatch, 1209 Hull Street, Phone Madison 115.

Routes for two proposed car lines for Swansboro and vicinity will be viewed today by the Chesterfield Board of Supervisors. The start will be made at 1 o'clock this afternoon from Robbins corner, Swansboro, when the board and engineers, representing the Virginia Railway and Power Company, will go over the extension which that company desires to make out the New Road to the Broad Rock Road. There is no opposition to the company building on this road. It is feared, however, that it will be too narrow for the purpose, especially at the point where the extension will connect with the Hull Street line. Citizens who have anything to say pro or con will be given an opportunity upon the return of the party.

Should enough time remain the board will, at the invitation of officials of the Richmond and Henric Railway Company, go over a route over which they hope to build a line from the James River near the Bell

Line Bridge, cross country to the Broad Rock Springs, and thence down Maury Street to South Richmond. They will probably ask for a franchise at the next regular meeting of the board.

**Veterans to Have Picnic.**  
Chesterfield Chapter, United Daughters of the Confederacy, will give a basket picnic in honor of the veterans on October 2 at Chesterfield Courthouse. The affair has been carried on for a number of years, and is always eagerly anticipated by the veterans and their friends. Some prominent speakers are selected, and various games and amusements help to make the day a pleasant one. Woodbridge Camp, Confederate Veterans, held a meeting recently at Chesterfield Courthouse and elected officers for the coming year. Those chosen for the position were: W. W. Baker, commander; M. Gregory, adjutant; J. P. Good, first lieutenant; Samuel A. Mann, second lieutenant; John S. Taylor, quartermaster; Rev. C. N. Woodbridge, chaplain; Thomas E. Woodfin, treasurer; William C. Gill, officer of the day.

Thomas E. Woodfin and Judge J. M. Gregory will represent the camp at the reunion which is to be held in Pulaski September 25, 26 and 27.

**Bicycle Man Down Boy.**  
Falling to negotiate the turn when trying to round into Seventh Street from Hull Street, a bicyclist, yesterday, ran down little Willie Mosby, of 106 Bainbridge Street. The boy was thrown from his feet by the shock, while the man took a nasty spill over the handle bars. Both were slightly hurt. Their injuries were treated by Dr. H. A. Bailew.

The accident was caused by the tire of the rear wheel slipping on the wet car tracks.

**Four Cases to Be Tried.**  
Four criminal cases set for trial today in Hastings Court. Part II. The most important of these is that of Leslie Garber, who is charged with stealing meat from a storehouse. He has served one term in the Virginia Penitentiary, and is liable, if convicted on this charge, to an additional five years for the second offense.

The other cases are: That of Jones, appealed from the Police Court, Part II; Sam Green, charged with stealing \$10 from his landlord, and Joseph Mosby, charged with assaulting Jim Perry with a baseball bat.

**Visiting Committee Guests to-Richmond.**  
The visiting committee of the Junior Order United American Mechanics will be the guests to-night of Davis Council, No. 2, at their quarters, 1015 Old-Fellowship Hall.

Ernest H. Wells and State Councilor Dr. W. A. Gordon will deliver the principal addresses. An elaborate program has been prepared for the occasion.

Justice H. A. Maurice continues ill at his home on Ferry Street. He has just returned from a four day trip to his country home in Powhatan County when he was taken ill. During his absence, "Squire" L. M. Mankin will preside over the Police Court.

**Part II.**  
Yesterday's docket was small. One case was called. John Rose, colored, being detained in question, charged with being drunk, drew a \$10 fine, and was sent to jail for ten days.

**Democratic Club Election.**  
The annual election of officers of the South Richmond Democratic Club will be held to-morrow night at 8:30 o'clock at the club's quarters in Fraternal Hall. Following the meeting a smoker will be given for the members of the organization.

**Expect to Have Good Crowd.**  
Secretary A. S. Pettigrew, of the Richmond and Chesterfield Junior Men's Association, has been assured that the South Richmond club will be well represented in the parade which will welcome the Richmond Democrats to-night from their trip to the Carolinas. The organization will form on Broad Street between Sixth and Seventh. The assembly spot will be marked with banners bearing the name of the club. All are requested to be there not later than 7:30 o'clock.

**Miss Lettner to Marry.**  
Announcement of the engagement and approaching marriage of Miss Henrietta Lettner to Charles Allen Randle has been made by Miss Lettner's guardian, R. M. Victor. The ceremony will be performed September 25 in Washington.

Mr. and Mrs. Victor will accompany the young couple to the capital after a wedding tour of northern cities they will make their home in South Richmond.

**Park-Road Marriage.**  
A quiet but very pretty wedding was celebrated yesterday afternoon at 3 o'clock at the home of the bride's parents, when Miss Ruth Holt, daughter of Mr. and Mrs. J. W. Holt, of 113 Clifton Street, became the wife of C. Mervin Park. The Rev. Doctor Edwards officiated.

Mr. and Mrs. Park left immediately on a wedding tour of the Carolinas. Upon their return they will make their home at 120 Hull Street.

**Personal Mention.**  
Miss Hazel Crooks left yesterday for New York, where she will be the guest of relatives.

Howard Williams left yesterday for Mecklenburg, where he will spend about one week with his parents.

Mrs. J. C. Kennedy and son, Joseph, returned yesterday after spending a month as guests of relatives in Fluvanna and Albemarle Counties.

Miss E. L. Jackson, of East Third Street, returned yesterday from a week's trip to the South.

Samuel L. Kennedy, of Petersburg, spent yesterday at the Southside.

## DELEGATES COME FROM ALL POINTS

Eight Hundred Expected to Attend Postmasters' Convention To-Day.

### BIG MATTERS ON CALENDAR

Resolutions Recommending Classification May Be Put Squarely Up to Taft.

The National League of Postmasters of the United States will probably pass on several matters of State and national importance during the three days' convention which begins this morning at 10 o'clock in the auditorium of the Richmond Hotel. Despite the fact that Richmond is the host of the 800 delegates this week, Virginia is without a State organization of third and fourth-class postmasters, of which the national association now in session is composed. An effort will be made to organize a branch in this State.

The convention will also probably take up the passage of resolutions recommending the classification of fourth-class postmasters the country over. It is possible to do this by executive order, and the association will endeavor to bring the matter in a forcible manner before President Taft. This question will hardly be reached before tomorrow morning.

Other subjects which will receive attention in papers before the convention are penny postage, postal savings banks and rural delivery. A number of addresses on topics of interest chiefly to those in the postal service will be made by officials in the Post-Office Department.

More than 400 postmasters of the third and fourth class will be in attendance. Practically every State in the Union and probably Alaska will be represented. The association numbers among its members 22,000 postmasters out of a possible 57,000 in the two classes from which its membership is recruited.

### Have Model Post-Office.

A few minutes before the meeting convenes this morning the model post-office in the southeast corner of the convention hall will inaugurate its service. This office will be complete in every detail and will furnish to the visitors an exhibition of the most improved methods of handling mail. Two hundred call boxes and ninety-six lock boxes, together with general delivery compartments, have been arranged. A cancelling machine of the latest type completes the equipment. It will stamp all letters received with a special die made for the convention and bearing the words: "Richmond, Va., Model Post-Office, National Association Postmasters, September 19-20-21."

Among the prominent visitors to the convention will be C. G. Thomson, chief clerk to Postmaster-General Hitchcock; Fourth Assistant Postmaster-General P. V. McGraw; Robert S. Sharp, chief inspector; George Daniel, inspector-in-charge, St. Louis, and C. A. Stillings, editor of the Postmasters' Advocate and former head of the Government Printing Office.

The officers of the association are as follows: President, Charles O. Barry, Walker, Iowa; first vice-president, Jay James, Sterling, Mich.; second vice-president, Mrs. L. R. DuBard, Glendora, Miss.; third vice-president, McH. Webb, Simpsonville, Ky.; secretary, Charles C. Young, Oakwood, Ill.; treasurer, H. H. Lucecock, Keene, Texas; J. O. Fitzgerald, superintendent of the second district of the association, is present and will make an active part in the proceedings. Mr. Fitzgerald is largely responsible for bringing the convention to this city.

In the absence of Governor Mann and Mayor Ainslie, representatives of the State and city will make the addresses of welcome. Postmaster Edgar Allan, Jr., who has been so active in the preparations for the meeting, will represent President Carrington, of the Chamber of Commerce, of the local end of the work in arranging for the convention. The social features will be under his charge.

At the conclusion of the welcoming addresses the annual address of the president will be next on the program. The convention will then take up the prepared papers. If the weather will permit, the entire body of delegates will board the steamer Pocahontas to-night for a moonlight excursion down the James River.

## OFFICERS FIRED UPON BY STRIKERS

(Continued From First Page.)

Officials late to-day, Sheriff Sharp, of Salt Lake County, wired Governor Spry that his force of deputies could not handle the situation. The Governor abandoned a speaking tour and hurried to Salt Lake City to make a personal investigation of the situation. All saloons have been closed by the order of Sheriff Sharp.

### Demand for Increase.

The Bingham miners made an informal demand several weeks ago for a flat increase in wages in all departments of 50 cents a day. On September 13 the Utah Copper Company announced a horizontal increase of 25 cents a day for all labor, and the other employers adopted the same scale. This was not satisfactory to a majority of the men, and agitation for the full 50-cent raise continued.

Ten days ago a strike vote carried overwhelmingly. President Charles H. Moyer, of the Western Federation of Miners, came here and urged that diplomacy be exhausted before the declaration of a strike. However, the Greeks, Austrians, Italians, Japanese and Bulgarians, who largely outnumbered the American miners, were insistent upon a walkout. The Finns and Americans in the union are said to

## TAFT IS TAKING NO PART

President Will Not Intervene in New York Election.

Beverly, Mass., September 18.—President Taft to-day denied published reports that he is taking any part in the New York State fight for the gubernatorial nomination. The President made it known that he favors no candidate, and he expressed the hope that the convention would be an open one.

The following statement was issued: "The President wishes it understood that he is taking no part whatever in the contest for the Republican nomination for Governor in the State of New York. The newspaper reports that he has favored one candidate or another are entirely without foundation. He hopes to be an open one, in which the best judgment of the majority of the Republicans of New York is to have expressed in their selection that party's choice."

## SUICIDE POINT REMOVED

Premontory Overlooking Death of Niagara Falls.

Buffalo, N. Y., September 18.—"Suicide Point," a little promontory overlooking the brink of Niagara Falls, has been cut away by order of the State Reservation Commission. The removal of the jutting cliff proved much easier than had been anticipated.

The number of persons who used the point as a jumping-off place increased so alarmingly during the past year or two that the commission decided to be rid of it.
